What happens when you mix old fashioned service with modern technology and then add a generous measure of innovative marketing? You get...

CONNECTIVE REALTY LLC

We're the locally owned and operated independent real estate company you can visit whenever it's most convenient for you – because our “office” exists solely on the web at www.connectiverealty.com

There at our virtual office you can search the MLS, get detailed information about Connective Realty listings, obtain advice about buying and selling, learn about our agents, read and comment on our blog, and click through to send a message directly to us.

If you're in a hurry, just pick up the phone and call 979-731-1010 We answer 24 hours a day, 7 days a week.

You won't find us in an office, but you will see us out and about in Brazos County and the surrounding areas – helping buyers find the perfect home or land and using innovative marketing tools to help our sellers find the perfect buyers.

For instance - If you happen to spot an 18' Wind Dancer drawing visitors to an open house, stop and say Hi to “Connective Conor” - and then come on in to say Hi to a Connective Realty Agent.

Since we don't spend money maintaining an office, we spend more attracting buyers to our listings, so you never know where you'll find our marketing materials or what shape they'll take. Look for us at Palacestock in Downtown Bryan and on the coasts at The Fox & Hound in College Station.

You'll also find us out supporting the community – sponsoring events such as “Pink-out” at Bryan Collegiate High School and the Brazos Valley softball team called HEAT.

We're a different sort of real estate company, and once you've had a taste of the service we offer, we know you'll appreciate that difference.
